“ *She and Traci were my bff's in second grade. I'll always remember the Saturday adventures to Kmart for a 45 record and then to burger chef for a kids meal. I kept in touch for a few years after we moved. I remember meeting at the roller skating rink when I was in 6th grade. I believe Lorie was in 8th grade and Traci maybe 4th grade. She was always up for fun! My prayers for comfort for friends and family*

“ Lorie was a beautiful woman and a great employee. I had the honor of being Lorie’s supervisor at the Mazda/AutoAlliance plant. She was a hard working and delightful employee who made my job easy. Very sad to hear of her passing. I pray that God’s Grace and healing powers will mend the sorrow of those grieving. Rest In Peace.

“ February 28, 1988...I met Lorie at the Mazda plant...as did so many others. Lorie was always welcoming, smiling, and laughing! Lorie always wanted to be a part of celebrating anything special for anybody! She just wanted to enjoy what life had to offer, and wanted to experience it with everyone else! RIP Lorie! You will be missed!

“ *I remember Lori from the neighborhood. To me, she was always kind and gracious. She was actually closer to my brother Phil. I am really in shock! She just posted a few days earlier she was returning to work.*
