“ *My sincere sympathy goes out to you with the passing of Lori. I will always remember Lori as a kind person with a good sense of humor. I, like Lori, worked as a secretary at BurroughsUnisys for many, many years. She was great to work with and would go out of her way to help her co-workers. Lori dearly loved her family and her precious cats. I recall many of her favorite photos on her desk over the years. I am sorry we missed her funeral service. We were vacationing in Great Britain and Ireland and learned of her passing after we returned home. Always remember that the beauty of love lives in memories, in tears, and in our hearts. With sincere sympathy, Alice Mishler*

“ *I worked with Lori at Unisys. Although we were in different groups, we had contact through the years. Lori was always very professional, pleasant and willing to help which made it such a joy to work with her. Please accept my condolences for your loss.*

“ Lori was my secretary at the Unisys Plymouth Plant in the 1990's. She was a great lady and a person of high quality. She was a tremendous help to me in getting the job done. She was very hard working and diligent in her job. She was also a great person to be around--always positive and looking for the good in everything we had to deal with. I know she will be missed. I hope she enjoyed her time after leaving Unisys. My condolences to her family.

“ My condolence to the family of Lori Wasielewski. I knew Lori from my days at Burroughs Corporation back in 1968. Lori was a wonderful person. Very caring and understanding and always there to help you. She was a top notch secretary back then and was very respected. She was a hard worker, but also knew how to have fun.
