“ *My NaNa was an amazing lady. Her face would just light up when she got to see my daughter Faith. She was right there for me when my dad passed away and I am so grateful for all our talks. I am so thankful I got to be there for her as well. She will be missed so much. Forever in our hearts never forgotten I will cherish every memory. RIP heaven has a beautiful angel and I know she is so happy to be home with her husband. All our love Starr and Faith (wells)*
