“ I have many special memories of working with Lou Ann. Besides her excellent nursing skills, I always appreciated her no nonsense, "tell it like it is" attitude (all the while wishing I could be more like that).

We had a lot of laughs and always liked to share our love of sunning at the beach , our love for our puppy dogs, and especially our love for fine cuisine, including Chinese food and chocolate gravy!

Remembering her now brings a tear to my eye, but someday soon will bring a smile to my heart.

I pray your sorrow will soon turn into precious memories.DB

“ Dear Tom & Family,

*I am so sorry to hear about Lou Ann. Another classmate passed on the information to me. Know that you are in my thoughts and prayers. Lou Ann always had a great smile and wonderful sense of humor. I was so happy to have known her in high school and she even played volleyball on our team at the Bailey Center. I was so surprised to hear that she passed. God Bless you and your family. I know Lou Ann must be at peace and I hope all the great memories of her will comfort you at this time. Love and from a great friend,

“ We want to send you our condolences. It has been an honor to become a part of the Churches family with the marriage of Angie and Paul. Getting to know Lou Ann was a great pleasure. I so appreciated the friendship she had developed with my daughter and the times I had spent with Lou Ann and Angie were so much fun. Lou Ann provided a stability and quietness to their relationship. I will miss this as I know my daughter will. Tom I admire your courage and commitment in your care and understanding of Lou Ann through this last journey. Simon and I want you to know that You and your family will be in our thoughts and prayers through this time. We will miss Lou Ann but will always remember her. Take care

“ To all who love and miss Lou Ann so much--I remember:
- A beautiful little girl who fought passionately with her older brother over the "cold" pillow on the long trip from Michigan to Southeastern Oklahoma.
- A young bride who came with "that Tall Boy" as our small son, Kendall, called him. (Tall Boy, we loved you from that first meeting).
- A young mother, who so obviously adored her boys, and what a great Mom she was!
- A daughter, who prepared a meal for us out-of-towners on a day that her Mom just wasn't up to it.
- A granddaughter, who thrilled her grandmother by asking her to teach the art of quilting.
- Her smile and her laughter last Christmas despite the tough year she had been through.
- A brave and courageous cancer fighter, who showed us it's not the years that count, but the moments...
May God comfort and sustain you all. Carol
