“ *Dad, it is coming up on two months since you had to leave us and I miss you everyday. You were the most incredible kind loving Dad who's only real concern was well-being of your daughters. You taught Mary Ann and I to be strong independent women, you shared with us all your knowledge from your many lesson learned in your life and to " always pay your self first". Your spirit is everywhere and I will be forever grateful that but your loving arms are not and for that my heart aches.*

“ Our thoughts and prayers are with Nancy and Mary Ann. Your father was a big part of our family for 32 years. His presence will be greatly missed in our home. We all loved him dearly. I will miss his cheerful smile and that little laugh. His love for my mother was unconditional and meant a lot to our family. We love you Louis. ALWAYS!!!!!!!!!!

“ My Thoughts & Prayers go out to Louie's daughters and the rest of the family. When I was growing up as a kid, he was more like an Uncle to me. My Father and him were Shipmates in the Navy and in retirement they were always going on hunting & fishing trips. He will be greatly missed. Mike Madill

Mike, thank you again for joining us in the celebration of Dad's life. I don't believe a visit didn't go by with Dad that the Mcdill name didn't come up. Dad loved as you know to talk about hunting trips he had been on over the years. Keep in touch. Nancy
