“ I am a Minister of Jehovah's Witnesses my wife and I would like to
give you and your family our deepest sympathy for the lost of your
loved one. We would like to leave you with these words of
encouragement from Gods word the Bible. At Job 14:14 it ask the
question, "If a man dies, shall he live again?," The bible makes the
promise: Your dead love ones will live...They will rise up. The bible
also says, The righteous themselves will possess the earth and they
will reside forever upon it. Isaiah 26:19;Psalms 37:29. May you find
comfort in these scriptures and in the loving memories of your loved
one. If you have any questions or concerns about the lost of your
loved one feel free to email us at ctksdk@yahoo.com

To the Ventura Family.....I'm sadden to hear about your loss. Both of our families go way way back and there are allot of memories of you father and mother. From the days of Camp Dearborn to the Lake Ogemaw. They were/are special memories. I was just watching the old movies from back in the day and there was Louie giving me my first haircut in his bus drivers uniform. Just know know that he is at peace and with Millie and the whole gang is back together once again. You all will be in my thoughts and prayers.

*Love to all

It was Uncle Louie that introduced me to 'up north' Michigan. There were a few times that he and Millie would come and pick me up and the three of us would head up to his cottage near West Branch. I remember one particular time I went horseback riding with the daughter of one of his friends up there on Burt Lake. She didn't have any money so I paid for both of us out of the 5 bucks my dad had given me for spending money. When I told Uncle Louie about it he was livid. In fact, I think that this was the only time I'd ever seen him angry. He reached into his wallet and gave me back the 5 bucks. Hey...in the 1960's 5 bucks was a good chunk of change. Looking back, and really even then, I realized that he would have been embarrassed for anyone to think that he couldn't take care of all of a child's needs that he had asked to accompany him to his cabin. I would have don the same thing. Which was cool... because when I got home I don't think I offered to give the money back to my dad. lol Even as an adult, my father and I would continue to visit Uncle Louie on occasion after he'd moved to West Branch permanently. I'll always remember that particular trip from my childhood though and will remember Uncle Louie for his kindness, thoughtfulness, and most of all his great sense of humor.

Rest in Peace Uncle Louie.

I'll always remember growing up with your family next door. Such fun times we all had from playing in the old ambulance in your driveway to eating warm, crusty Italian bread on a Sunday morning after a sleep over. I loved coming to you house in the heat of summer and enjoying the coolness in your basement. It was an extra treat to ride the bus with you on Redmond. Novara was a special place and you were a very big part of it. God Speed, Louie! Love and prayers for all your loved ones left behind.
