“ I am so sorry for your family's loss. I am a childhood friend of Glen's, and have happy memories of the family when they lived on Maplewood in Garden City.

“ We reside in Sarasota and didn't learn of Louise's passing until today, May 1st. We are deeply saddened by the loss of this beautiful & wonderful lady. No one was more important in my life and our family's than she. She was truly the "big sister" I never had. In my classroom she was a wonderful co-worker whose kindness was unmatched. How fortunate I was as a young teacher with a young family in 1979 to have her as a role model and wonderful friend. She has always been the epitome of graciousness, class, dignity and caring. Denny & I will miss her greatly. Vera McQuillan

“ I am a Minister of Jehovah's Witnesses my wife and I would like to give you and your family our deepest sympathy for the lost of your loved one. We would like to leave you with these words of encouragement from Gods word the Bible. At Job 14:14 it ask the question, "If a man dies, shall he live again?," The bible makes the promise: Your dead love ones will live...They will rise up. The bible also says, The righteous themselves will possess the earth and they will reside forever upon it. Isaiah 26:19;Psalms 37:29. May you find comfort in these scriptures and in the loving memories of your loved one. If you have any questions or concerns about the lost of your loved one feel free to email us at ctksdk@yahoo.com Sincerely,
Carlos & Sandy

“ We are so sorry to hear about Louise's passing. She was a fine lady who always had a grand smile. A special hug to Claire, one of my favorite kindergartners. We can't be at the service, but please know that our thoughts are with you. She is dancing in heaven.

“ My condolences to the McElroy family. Although I never met Louise, I taught and coached Lea Ann and David at Northville High School and I remember them fondly.

“ I am thinking of Aunt Louise as I knew her -- vivacious, open, cheerful, kind, full of style and grace, a loving sister to my Dad, Frank, a model to me and I am sure to all who knew her. Deepest sympathies, Sandra Eckhardt, Toronto

“ We are so sorry to hear of Louis' passing. She was a good neighbor for many years and we will miss her. We had many chats on her strolls around the neighborhood for many years as we have been in Plymouth Notch since its development. She was so pleasant to talk to. She reminded me of my fifth grade teacher. We will miss her so much. We wish we could be there for her services, but we are wintering in our winter home in South Carolina and won't return 'til Spring. Her family is in our thoughts and prayers.

“ *What a lovely lady Louise was! She was my friend, and in my classroom a trusted and loyal coworker as well. She brought a touch of class to this jeans and peasant top girl! She gave me validation for my teaching, and was always so supportive at a time when I was much younger than many parents with whom we worked. I am forever grateful to have had Louise touch my life. To her family, she had a wonderful life on earth, and is now at home. May your memories comfort you. Always, Carol Bachmann*
