“ Louise was a treasure. Always beautifully dressed and her hair just so. She was kind and generous and so thoughtful. And always brought a package of 'chocolate 'potato' chips when she came to her eye doctor's office, which we all enjoyed (especially Dr Clark) . Bill must be delighted to be back together with his Louise in heaven. Karen, for Clark Tait Eye Center

“ I was so sad to hear that Louise is no longer with us, but I know that she had a full life and is in a better place. She always gave me a smile in church, since we were both fond of our red hair! I will miss her, as I'm sure everyone will. My condolences to her family and friends.
