“ My condolences to the entire family on your loss. I had known Louise for probably close to 70 years we grew up next door to one another on Prest, attended George Ford elementary school together as well as graduating from Mackenzie high school in 1964 together. I have many fond memories of those days, putting on shows in her garage for the kids and neighbors. Both our houses are now gone but the memories remain. I even stood up in Louise and Doug's wedding. Mowed their lawn when they were away up north, went to watch Louise at her figure skating lessons. All fond memories RIP Louise

Roy you were near and dear to my mom. She spoke about you and I know that she liked to send a Christmas card to you and your family every year. She told me about you being a police officer in Detroit. She cared for you and I could tell by the way she talked to me about you. She was blessed to have you as a friend! Take care and thank you for sharing.

Louise and I were babies and toddlers together on Schaefer before her parents bought the house on Prest. We made snowmen, ice skated, went sledding and I rode my bike to her house on Prest as I missed her so much when they moved. As young couples, raising our children, we took a few camping trips together and spent New years eve out at a nice place. I last saw her in Plymouth then we only talked on the phone when she moved to Allen Park. I will always love you, Louise and I will see you in Heaven. Joanna Folland

“ I am Mary Davidson. Louise is my dear cousin. We grew up together like sisters and the love continued for all our 70+years. She was a wonderful woman, sister, friend, and cousin. I will miss her always, but I will know she is now in wonderful care of the Lord.

I am the mil of Lisa and grandmother of Rebekah. Louise fought a good fight but now she is no longer in pain. She was a sweet lady. She made me a scarf many years ago and now when I wear it I will always think of her. Soar with the angels Louise.

I am a cousin of Louise's and am saddened by her passing. Growing up in the metro Detroit area, all of the Moilanen families were close and visited each other regularly and spent many holidays together. We will miss Louise and her sweetness; but she is now at peace. We love you Louise.

My Sympathy,
I am Louise's cousin Bob Haapala. My Dad George was Louise's mother's Hulda's brother. He lived with Hulda and Frankie in 1950. Louise always mentioned my dad watching westerns with her then. My dad passed away in 1961 and we lost connections with that side of the family. I reconnected with Louise at Hulda's funeral in Eagle River and visited via messenger after that. I remember visiting you girls Lisa and Lynn at your grandma's home in Eagle River at that time.
