“ I knew her for 4 years plus working at Delta Airlines. As a customer agents she make sure that she give her best to take care of our passengers. She loves her job, always comes to work on time. Lourina loves her brothers so much. She’s very kind hearted person. Loves to travel if she can with her friends. She loves her cat so much. I remembered she told me her cat passed away and she was so heartbroken during those times. Girl, you will surely be missed at work. Thanks for the friendships you shared with me. I will truly treasure and remember our times at work. Fly high girl and dance with the angels in heaven. I will miss you girl.
