

## Luana Marie Crider

January 4, 1948 - October 9, 2025

Luana Crider, beloved mother, grandmother, and friend, passed away peacefully on October 9, 2025, at the age of 77. Born on January 4, 1948, in California, Luana carried with her a lifelong warmth and joy that touched everyone she met. Her heart was as golden as the California sun she grew up under, and her spirit radiated through the lives of those she loved most.

Luana was the devoted mother of four children—Jennifer, Jessica, Golden, and Koralie—each of whom carry forward her strength, wit, and deep love of family. She was also the proud and doting "Grammy" to six grandchildren: Wryan, Cody, Breanna, Allison, Lily, and Phoebe. Sister to Coralie, Allen and Auntie to Shireen, Layla and Nicholas. Her love for them knew no bounds, and she filled their lives with laughter, stories, and unforgettable memories. A true California girl at heart, Luana found magic in the simple joys—none more so than her love of Disneyland, where she cherished every moment of whimsy and wonder. She also held a deep affection for Hawaii, a place where she felt most at peace, surrounded by the ocean, flowers, and the spirit of aloha. Luana will be remembered for her fierce love, her infectious laugh, her unshakable resilience, and the joy she brought to the everyday. She gave generously, loved deeply, and leaves behind a legacy of compassion, adventure, and family.

Her memory will live on in every shared smile, every story told, and every sunset over the Pacific. She will be missed more than words can express and loved forever.
