“ *Irene;  
We are so sorry to learn of the loss of your mother.  
We understand that early on she was a witness to some of the  
worst of things in recent history. Perhaps her personal strength was  
necessary in those days for survival. We trust that it was. We also  
trust that in her own way she was very proud of her daughter and of  
her daughter's achievements; as we all are.*

*Our sincere condolences for your loss,  
Les & Mary Alice miller*
