“ *missing you more then ever these days chunkabutt. had a dream about you theother night & if it were possible, i would have slept forever just to see you a little longer<3 "love you, love you, aunt toe toe loves you". always on my mind, FOREVER in my heart. <3*

aunt toe toe - December 12, 2014 at 10:14 AM

“ *I'm sorry for your loss. Death is our common enemy as it affects all of us. I therefore want to encourage the family to take heart and be hopeful in the promise by God, that he will wipe every tears and no more will be any death again. Death will be brought to nothing, Isaiah 25:8 and 1Corinthians 15:28. God by means of Jesus will call and all that died will hear his voice and come out. John 5:25. We have an opportunity to see our dead loved ones come back to life again and never to die. What a wonderful moment that will be!*

“ I am so sorry. This is such a sad time in your life and I hope that God will sit beside you through this time. I lost my baby 5 years ago too and know what you are going through. I never go a week without thinking of him or feel a sense of sadness and loss. But be encouraged that God will sit with you through this time and hold your hand. He is sad too. Though this changes your life forever, and the sadness never leaves, the intensity lessens. Cry when you feel like crying but don't feel bad when you feel like laughing again. My heart and prayers go out to you.

“ Words are not enough to express our sorrow for your loss of little Lucas. Although he only blessed this world with his presence for a short time, it was enough for you to know him, feel him, love him. I cannot imagine what you are going through, and wish somehow things could be different. Just know that at this time you don't have to "be strong". Feel what you need to feel, do and say what you need to say. There is no right way to get through this. Just know that he loved you as much as you loved him, and that he is your little angel now. All of our love and prayers are with you Chassy. Your cousin Jodi LaFerney Russ and family
