“ *I too was mentored by Mrs. Wencel at BBHS. After taking all the classes she offered she let me teacher assist in senior year. She also supported us painting the stairwell with a Rousseau-like jungle scene.*

*Years later we would meet again at Scraft open swim.*

*Her encouragement to use my charism of creativity has been life long in verious ways. Such a beautiful funeral Mas and homily offered by Fr. Preticent where I learned she too collected Nativity sets from her travels. Prayers for her and all who love her. Grateful I saw the posting at OLG. ++ +*

“ *Lucy made my days teaching at Bishop Borgess High School even more enjoyable by being a good friend. Her sense of humor, her outlook on life & people always made me laugh. I'm so thankful that I was able to see her about a month ago. We had a great conversation and it was fun reminiscing. She will be missed! My sincere condolences to all of her family. Chris Salter*

“*Lucy Wencel was my favorite teacher that I had for art classes all 4 years at Borgess in the 70's. She was my mentor and once took me and two other classmates on a tour of EMU's Art Department, and then for pizza afterwards, on her own time. I went on to go to EMU and get my art degree. I learned a lot from her and can only imagine how many other budding artists she mentored, inspired, and influenced. She made an impact in my life.*

“*Karen and I send our deepest sympathy to the family. We were neighbors at Woodgate for 9 years before moving back to Decatur, Illinois. We enjoyed being with them during our years in Plymouth. Bob and I served on the board of directors for Woodgate for several years. They were very nice people.*
