

Lucinda Christina Clos

November 7, 1977 - November 9, 2022

Lucinda “Cindy” Christina Clos, age 45, of Westland Michigan passed away November 9, 2022. Cindy was preceded in death by her loving mother Karen Clos. She is survived by her beloved father Dennis Clos, his partner Christi Henderson, her dear brother Jeff (Sara), and her adored nephew and niece Connor and Caitryn Clos. Cindy had a large family and friend circle and will be missed by many aunts, uncles, cousins, and friends. After graduating from John Glenn, Cindy attended Eastern Michigan University, obtained her nursing degree, and was part of sorority Sigma Delta Tau. Cindy had an amazing calling to help others. After various roles as a nurse, Cindy found hospice. As a hospice nurse, she provided care to patients during the late stages of life allowing them to die with dignity. She provided support, strength, and empathy to many patients and families during the hardest moments of life. She loved this challenging role and excelled, leading to multiple leadership promotions. But she always felt that at the bedside was her calling and where she could help the most. Her desire to support carried over to her personal life as well. Few things brought her as much joy as her pets. She was the proud and loving owner of multiple rescue animals thru the years. Her patience and caring saved many strays’ lives. Thought of you a lot through Thanksgiving. You participated in so many turkey trots over the years and had plans to again this year. So glad I have so so many good memories with not only you but you and your Mom. Love you always 🥰

“ *Cindy and I have only known each other for a year. She was one of my managers at Heart to Heart Hospice. She was a joy to get to know. She had good instincts as a manager, and knew how to handle difficult situations. We hit it off from the beginning. I was just texting with her on the morning of her birthday this year. I'm so sorry for your loss.*

“ *Cindy was such a fun and vibrant woman. She always made me laugh and we had a great time as sisters in Sigma Delta Tau. She played a critical role in those years and I am so glad to have her as my friend.*

“ I have no doubt that all those Cindy cared for and helped them journey to their rest were there waiting for her. I know she’s already hugged her Mom. And she will be there to welcome each of us as we journey home.

“ I have loved reading the posts about the Cindy we didn’t get to know. I work with Heart to Heart and Cindy was one of our managers for a short time. She was quiet, kept to herself, but had a smile that would light up the room. I found a connection with her through the tales of our four legged babies. I am praying that her pups find a wonderful home together. She loved those doggos. Cindy you will be missed.

“ Cindy and I were sorority sisters and roommates in college. We had many fun times together. I remember our trip to Florida to her parent's condo and her mom's generous heart. I know Cindy was a loving, thoughtful friend, daughter, sister and aunt. She will be greatly missed.

On behalf of the Mid Central District of the Hospice and Palliative Nurses Association, we want to send our sincere condolences for Cindy's loss. We feel honored and humbled to have worked with her through her leadership of the Great Lakes Provisional Chapter of East Michigan. Her dedication to her hospice and palliative patients and the staff who cared for them shone through her kind, professional demeanor. She attended all of our Mid Central District meetings and led her group toward chapter membership. Her compassionate work and professional community building is severely missed. Our group of hospice and palliative nursing chapters from Michigan, Ohio, WV, Indiana, and Tennessee are heartbroken to lose such a valuable member of our group.

Our love and prayers,

“ My heart dropped and broke when I heard of Cindys passing. She was more than a friend she was like family. We did so many things together over the last 37 years. Karen, Cindy and I went to Fitness USA a lot!! I taught her to drive a stick shift and she did great. We went to the condo numerous times with many different friends of hers. Sometimes it was just the 3 of us and once we took Belva, Karens Mom. I have so so many memories with those two in Fort Myers. We all got along great for the most part. The Shrimp festival one year was so fun. We rode the trolley there and back and to Lani Kai a few party nights. They even came to Vegas when my son got married. We had a blast.

We spent one New Years Eve at a private party at MGM casino OMG so much fun we had rooms too. She was probably the only babysitter I ever had that could control the boys lol. I will always love you Cinny (my pet name for her) you'll remain in my heart forever. Barbi.

“ Cindy was like my family. I have so many memories of time with her, but the most vivid and special are of the condo in Florida. She loved it so much and I think she felt close to her Mom there. I'll miss her every day.

“ Cindy was my sister-in-law’s long-time best friend since they were 13, so my husband (her twin) also knew Cindy really well from school and their antics together over the years. I met Cindy in 2008 on my first trip to the USA and it was such fun to meet the ying to my SIL’s yang. Her sense of humour was awesome and she was such a great best friend to Liz. Cindy had us over one Winter’s night to play Band Hero or Rockband and that night was so filled with laughter. We stayed in touch after that and our MI hotel New Years dance party via FB.

Cindy clearly had a huge heart and my husband and I are so thankful for the years of friendship she invested into Liz and her boys. I also really respected her vocal-ness about nurses’ working conditions, especially during the pandemic. Although she is already dearly missed, I’m so happy she is reunited with her mother in heaven, who she so painfully missed. Our prayers are for her family and close friends and colleagues right now. Rest In Peace, Cindy.

“ To say I was shocked to hear of her passing is quite an understatement. I knew exactly when I received the message call me. I have know Cindy Clos my entire life and we grew up next door to each other our whole childhood.

We certainly had our ups and downs throughout our childhood years. But I have nothing but great memories of us together, April Bobby included. My first concert was with her and honestly probably the worst....Blues Travelers when I was 16. My first cigarette was with both Cindy and April. My first fist fight was with Cindy in junior high when we both got suspended for five days....lol. We were triplets in our dye tie jumpers from some clothing store down from Carinthi's party store that her mom bought us. Or when we would be bored as kids and Karen gave us spoons and had us dig to China. But my most favorite memory is when my best friend in high school passed away and she was there for me with arms wide open with a gaint white teddy bear that had a ribbon around the neck that said best friend and said, She will always be here for you. Although I can continue on and on for days of memories, I am just so grateful that I had her as my friend. We drifted after our late teens but that was life. I love that we still got to continue our catching up at weddings, run ins over the years and Facebook with each others comments on each others posts. Now she is with her Mom and catching up with hugs and Karen saying oh my baby. Please continue to send prayers to her dad and brother, Dennis M Clos and Jeffrey M Clos #cheshiregirls Cindy, I AM so thankful for our friendship and until we meet again...I love you and will certainly miss you 🥹🥺❤️

“ Like many of those who have already written, I knew Cindy from my time at Arbor Hospice. She was part of my work family and knew how to care for both staff, and patients, well. I'm just so shocked and saddened by all of this... and I know her family, friends, and colleagues are feeling heartbroken with this loss. I am grateful to have known her and witnessed her passion, sass, and determined ways. She will be missed.

“ Cindy was one of a kind! Incredible nurse, bright & always striving for the best care for the patients entrusted to her & also for her staff. Her sense of humor was bigger than life itself. She was wise beyond her years. She was devoted to her animals and to her friends. May God comfort all who knew & loved her & even though it seems far too soon for her to be gone from this earth, may she find peace and happiness being reunited with her mother.

“ I loved Cindy, she made work at Arbor so much fun. I remember our trip to Disney for a NHPCO conference where our deep friendship was formed. I used to tease her that I could have been her teenage Mother. I remember her incredible laugh and her great love of all her fur babies. She was very caring and compassionate nurse and her leadership touched so many. She will be greatly missed by all who knew her.

Cindy was a standout nurse and human that always brought energy to the table. She deeply cared about patients and would step up to help or troubleshoot to achieve the best for them.
