“ Lucy was such a great friend. A very giving and kind woman to all who met her. She did not know a stranger...loved her family deeply and would do anything for them. Rusty and I first met her in 2010 while eating at the same breakfast restaurant, which turned into meeting her and Carl every Sunday for breakfast for many years. She will be greatly missed by all! 💜

“ *Lucy was a great gal who helped so many, including me and many of our friends, with her unwavering help. She was a true friend in challenging times (and there were many!) and an enthusiastic supporter of many. Along with her motorcycle trips, she could convince us that anything was possible. What a great legacy she leaves. Susy (Heintz) Avery*

“ I have many memories of Lucy. Her husband Carl was the Chief of Police for Plymouth Township PD and my husband Larry was the Fire Chief for Plymouth Township FD.

In those days, we all worked together, attended Township gatherings together and had reason to see and know each other. I always loved Lucy's smile and outgoing, kind personality. She was definitely the kind of person one wanted to be around.

I am grateful to have known her and feel blessed that she shared a part of my life with me.

She was a wonderful lady and will always be remembered fondly. Please accept my sincere condolences Carl. Regardless of health and physical struggles, losing your life partner is difficult and I will remember you in prayer.
