“ *Lupe, you were such a great man, & you will be missed very much! I can remember you always had a smile & a lollipop for us "Ramsey kids" when we came home from school! It was just one of the many wonderful things that showed how much you cared! I will never forget all of the kindness that you & Irene showed to us kids growing up! & especially when you & Irene would come down to our house, & daddy (Paul Ramsey) would get out his guitar, & you guys would play for hours at a time! I loved to hear you play, & you & Irene singing, even though she would say "no Lupe, that's ok" & us kids would beg for you two to sing for us, & you guys would. You guys were always loving & kind to our family, in more ways than you will ever know. & I just had to write a little something about the kindness, joy, & love that you showed us kids growing up. Thank-you Lupe You will never be forgotten! Love always, Brenda (Ramsey) Norton*

“ When growing up, whenever we were heading to Grandpa and Grandma's house, we knew that it would be an all day affair. Many great stories told by the best story teller you ever knew, great music with his guitar and lot's of true mexican food! I will miss Grandpa, but I know my Dad and Grandma will be there to greet him in heaven.

“ *My heartfelt sympathy goes out to the entire family. I was a frequent visitor to the Essa family across the street and used to play Bunko with Irene. In the past few years Camille has been a great companion with Lupe. I will always remember his stories about his ethnic cooking and eating ice cream after. He was also a pretty good guitar player and singer of his heritage songs. Lupe you will be greatly missed. But now you are with our Lord and free of your earthly pain. May God Bless you and bring comfort to those who have been left behind. Sincerely, Linda Lodge*

“ I have so many wonderful memories from growing up across the street from Lupe and Camille. I can remember picking berries from his trees in the back yard, mowing his grass in the summer time, just spending time listening to him play his guitar, and most importantly learning to play golf. Lupe gave me my first set of clubs, and was the one who got me started playing golf, which led to a college scholarship and life long love for the game. I have many wonderful memories of playing golf in Westland with Lupe and Baba. I will always remember the wonderful times I spent with him and all that he has taught me. My thoughts and prayers are with the family and Camille. He was a wonderful neighbor and I will always consider him part of my family. I am sorry I can't be there this week, but I will be thinking of the family and friends as we all remember the wonderful times we spent with Lupe and everything he brought to the neighborhood!

“ Lupe was such a wonderful & kind hearted man. I've known him my entire life (30 yrs), he brought a smile to all those who crossed his path. When I was little he used to let me pick fruit from his trees in the back yard and run back across the street to my Grandparents house. He was a wonderful neighbor to my Nana and Baba, and when ever I came back 'home' to Gloria Street, I always looked forward to seeing him..we all did. My thoughts are with Camille and the beautiful family he left behind. He loved you, and was so proud of all of you! Sincerely, Jami Moore & family

“ For almost 36 years Lupe has been our neighbor and friend. He always had a smile and a wave when he saw us across the street. Lupe loved his guitar and all the neighbors will remember all the songs he played and sang at the neighborhood get togethers. He put a smile on all of our faces. Lupe loved fishing and golf and when Amber, our youngest daughter, was about 14 he got her started golfing. He was thrilled to help her learn the sport. Several times before she went off to college they would go to the Westland Golf Course and play a round of golf. Amber will always have those wonderful memories of Lupe. We have Lupe to thank for the golf scholarship Amber had. We will miss him.

“ Lupe was one of the 'bestest' neighbors anyone could ever have. We have more stories in our neighborhood than can be told. Lupe was always there to lend a hand when he could, and helped me (johanna) emensley when my own sister fell into alcoholism. We will miss his laughter and guitar playing in our neighborhood group. I will surely miss him saying, "but, Johanna, I only put 'one' little chili pepper in there !" Our condolences go out to his family. We will miss you Lupe, you are a legend.

“ Tom & Lupe were in Brighton almost 22 years ago. He, Tom and Joe and Russ (both now deceased) used to golf all the time together and have mini meetings. We loved Lupe and Irene - never got to meet his new family. He was a good, sober, Christian man; we are happy to have known him and shared time with him in AA meetings. Our prayers to the family. “ Diane, Rita and JoAnn, I am writing on behalf of my sister Cindy, brother Ruben Vega and myself. We loved our "Uncle Lupe" and Cindy loved her godfather very much. We are saddened by his passing but are grateful that in the last year we were able to be in contact with him and told him we loved him. With him passing, we are reminded of a time in our lives when all six brothers, their wives and all the cousins joined together at Grandma Gregoria's for the many holidays. Though the business of living keeps us unaware of the speed of the many years that go by, remember that even though we are a very large and diverse family, scattered around the country, love between us all never dies. Our deepest sympathy and love to all of you and your families. Love, Tamley Vega (Eric and Johnpaul)* Cynthia Friske (Yvonne and Richard) Ruben Vega (Ruben) Paula Fulkerson Paul Lamas*
