“ *I am a Respiratory Therapist who worked with Gary pretty often in RICU. I always liked and respected him and he was pleasure to work with. One of my most memorable experiences as a health care practitioner was shared with him. He is missed. God bless his family and friends.*

“ Gary we will miss you very much. You have been such a wonderful friend. Although you have been going through your own medical problems, you always had time to comfort me with my own problems. You always took time to explain my medicines to me. We will miss you so much. What wonderful people you and your most precious wife are. I will miss you sitting next to me at church and the great conversations we had. You will always be in our hearts. May God bless you always and rest in peace. We love you Gary.

“ I met Lut through the P.A.G.A. and played with him only a few times and we had a great time together. I heard him calling me John Daly one time because of how I swing the club. His absence will be dearly missed.
