“ *God has resurrected humans in the past. The Bible reports eight instances of humans-young, old, male, and female-who were brought back to life on earth. Some had been dead for a short while, but one had been in tomb for four days! And you can read that account at John 11:39-44 of Jehovah Gods' word the bible. You have my deepest sympathy and I hope these scriptures bring you lasting comfort.*

“ *We mourn Uncle Lyle's passing with you today. Lyle was a great man and leader of our Whipple Family. His values reflected those of "the greatest generation"; he loved his wife and his children - who he served until the very end. He wanted to stay with you as long as possible. The family reunions were so important to Uncle Lyle; he made every effort to keep our clan intact. Uncle Lyle is missed.*
