“ *To the family of Lynette, I may not know you, but I have been a friend of Lynette and Al for many years now. I spoke with Lynette but a week or two before her passing....even now it seems so unreal. I was not able to attend any of the services, as I found out just today on the 21st, but know she is forever in my thoughts and I will do anything to help in any way it is needed in this hard time. My prayers and thoughts are with you.*

“ *Joe, Nancy and family, I am very saddened to hear about Weezy. The last time I saw her was at Sears a few years ago. I know there are no words that can comfort you at this time. I will always remember her as Joe's (Jay's) little sister. May the Lord guide your family safely into His will and into His arms. God has a reason for this. Trust Him in all things don't lean on your own understanding and He will direct your path.*

“ Sorry to hear about the passing of Lynette, its sad to see some loved so much have to pass, especially when children are involved. Even though their is grief their is hope. Please read John 5:28,29 & Acts 24:15 their it speaks about a resurrection hope where you can see your dead loved ones again.
