“ *It was an honor to teach with Jill. I loved having Brigid in my class. George was such a kind soul! Wish I would have heard of this at the time.
Brigid, would love to hear from you!*

“ *I was just informed today about the passing of Jill and I am so saddened by it. I moved to Colorado in March because of health issues with myself and my husband to be closer to my daughter. I miss all my wonderful friends in Michigan especially Jill because she was so delightful! We had so much fun playing Mah Jongg along with other girl activities such as getting together for birthdays, etc. My deepest condolences to Jill's family; she will be terribly missed!*

“ I consider myself lucky to have had such a wonderful person as my aunt. The memories of your calm, kind and accepting outlook on life will always remain tucked away in my heart.

Rest in peace Aunt Jill.

“ Uncle George said to me that Bridgett was his reward for taking care of his

mother Mary a beloved soul herself. But first came Miss Reminder the school teacher.

Aunt Jill fit George to a tee. Every family has to have a redhead and so we all welcomed

the first one of our bunch. Bridgie as she became best known. Rest in Peace Jill you are

the kindest person I have ever met and the end of an era for me.

“ *My sincere condolences to the family of M. Jill Bracken, especially Brigid. Jill's smile was always a ray of sunshine to those of us that worked with her at Our Lady of Loretto. Jill had a special place in her heart for the littlest among us. Jill taught her students with love and compassion. A special treat for me was watching Jill walking down the hall, hand in hand, with little Brigid. What a blessing it was to watch the two of them.*

Love and prayers to the family.
