“ *"I saw the dead, the great and the small, standing before the throne, and scrolls were opened. But another scroll was opened; it is the scroll of life the dead were judged out of those things written in the scrolls according to their deeds. And the sea gave up the dead in it, and death and the Grave gave up the dead in them, and they were judged individually according to their deeds." Jehovah's word the bible says this at Revelation 20:12,13. This is reassuring that we will see our dead love ones again.*
