

Maheshbhai C. Patel

September 25, 1943 - January 20, 2024

Mahesh Patel, a distinguished engineer hailing from Karachi, British India, peacefully passed away on January 20, 2024, succumbing to a stroke. Born on September 25, 1943, Mahesh was the beloved son of Chotabhai, originally from Sojitra, Gujarat, India, and Kantaben, a native of Nadiad, Gujarat, India.

Having earned his engineering degree, Mahesh embarked on a journey that led him to wed Smita Patel. The couple ventured to America, where Mahesh dedicated decades to contributing his expertise to large-scale engineering projects.

Tragedy struck in the early 2000s when Smita passed away. In the subsequent chapter of his life, Mahesh found companionship with Jayshri Patel, born in Aden, Yemen. Together, they embraced a life of travel, savoring moments with cherished friends and family.

Mahesh Patel is survived by a legacy of love and kinship. Remembered fondly by his wife, Jayshri, his sons Pranav (Ritah), Sanket (Mandi), and Vipal (Leeanne), and his grandchildren, Shaan, Malina, Leena, and Akira, along with an extensive network of family and friends, his absence leaves a void that will be keenly felt by all who had the privilege of knowing him. May his soul rest in eternal peace.
