“ *What a beautiful treasure you were Uncle Manny! You are a person who has truly left a mark on my life and that of my family. You taught me what it really is to live in the present. You made the best of wherever you were, whatever you were doing, and whomever you were with. Thank you for the love you always freely showed and thank you for being a part of my life. What a joy it was to be around you! You really are a blessing! Love you always, Annie*
