“ Dear Juhi...I am heartbroken to note about this sad news....that too several years later. My heartfelt prayers for Bobby's souls onward journey in the spiritual domain.

If I didn't reach out to Bobby via LinkedIn, I never would have known the immense loss Bobby's loved ones are enduring. I will continue to keep you all in my daily prayers for the strength you need as you cope with the loss. The last time I saw Bobby was in a music recital that our children's music teacher (Sunitha Ramappan) held more than a decade ago...please reach out to me if there is anything I can help with any of Bobby's loved ones as they cope with their unspeakable loss...please take care.

“ What a charismatic human Bobby Sir was. I remember meeting him in April 2016 in his office in Thailand. I felt so proud to see an Indian holding such a big position in an American company in Thailand. I looked upto him as somebody I would want to have qualities of. He was commanding and witty. The way he used to switch languages from English to Punjabi to hindi was astounding. He told me “YOU ARE YOUR CONTACTS” and I always remembered this. He made sure to remain in touch and made me understand the value of contacts. I’m numb and aghast by his passing. It’s difficult for me to fathom this news. His impact on the lives of people around him was profound and I wish his soul rests in peace. Bobby Sir, you will always be remembered. OM SHANTI ✨🙏✨

“ I am so saddened to hear that Bobby is no more with us. I have known him for only a year but he became like a father figure to me in such a short span. I have never met somebody like him in my life. Such a kind and affectionate person. He went out of his way to help me and make sure I am doing okay when I first moved to the US. Thank you so much for everything Bobby. You will be missed.

My prayers are with Juhi and his daughters. May his soul rest in peace.

“ *I had a chance to Parmar a few years back and it was simple joy to meet him - genuinely warm and had the ability to connect freely with love. I don't know the words to express his loss for his family. But I can pray for his well-being wherever he is and absolute well-being for his family. To Parmar's family, May you all find, in time, peace and acceptance of his loss and live life fully again because that's what he'd want for you all. Take care. Sanjay*

“ Juhi - I am so saddened to hear this news of your husband. Although I never met Manminderjeet I could tell by our conversations and pictures that you had a great loving relationship. The stories you told were enjoyable to hear. I know he was a loving father who brought joy to you, your daughters, and close friends. I know times are difficult now. You have your memories. You have your daughters. I think of the quote: “little by little we let go of loss, but never of love”. I keep you in my thoughts and I know better days will come again to you soon. I will reach out to you later as it has been much too long. Love - Bill
