“ Tom, Sharon, children, all her family, Donna, and all who love Margaret and are hurting and missing her, you are in our thoughts and prayers and we are hoping you feel comforted by all your beautiful memories and love for Margaret. We're sending our love to you all. 💕

We have so many wonderful, happy memories of Margaret and the life we shared together with her for many, many precious years. Her time with our family started off with the intention of her taking care of us kids while our parents were working and away from home, but things quickly evolved into her being a much-loved, vital, precious member of our family. No matter what drama or challenge that happened to be unfolding at any given time, Margaret invariably had her special way of tempering all of it with understanding, patience, love, and always, a healthy dose of playfulness, fun, and laughter. We were all hugely blessed by her, and continue to be blessed by the way she touched and shaped our lives and our very selves, and because she is alive in our hearts, a special part of who we are. We are deeply grateful to Margaret and thank God for her. We love her very much. 💕

Her girls,
Mama Peggy (in memory & honor of),

Sure enjoyed the times together back in the days when we would visit Aunt Josie and Uncle Chuck and you guys around New Year's Day at your home!! And, most recently, at family gatherings when we saw her last. Prayers for you and the family and friends Margaret leaves here on earth as she takes her place in heaven!.
