“ All seven of our children were blessed to call her "Grandma Horton." She always encouraged our children even after they were in her class of two year olds. They all remember her fondly. I thank God for her love of Him that she so freely showed to others.

“ Dear Duane, Lynette, Janette and Roy: My thoughts and prayers are with you. I remember your mother fondly as a christian woman with a wonderful soul and a sweet smile that could show compassion and comfort in one brief moment. So many of my friends have been saying good bye to their parents lately that I can only hope that her passing was peaceful and that you will find comfort knowing that heaven welcomed her with great joy and love. Sincerely, Cindy
