“ I worked with Margaret many years ago at Mann Elementary School in Detroit. I was a new teacher and was next door to her. Margaret was one of the most wonderful teachers I have ever had the pleasure to work with. She had an amazing, lovely personality and ALWAYS had a smile on her face.

I lost touch with Margaret 2 or 3 years ago. I just happened to check the obituaries for her today, and, sadly, found that she had passed away just recently. My sincere thoughts and prayers go out to Margaret's entire family at this time. I know she has joined Michael and the good Lord for her eternal rest. .

“ Margaret was a dear neighbor and friend to us. She so enjoyed my baking and I loved sharing it with her. I will miss visiting with her and hearing her stories. She will always have a special place in my heart as my adopted mother here in MI.
