“ *Hello Meg's family,*

*I was so shocked to see her obituary in the newspaper and am saddened for your loss if this was the sweet, kind, and nice Meg that I knew and went to school with at Eastern Michigan University, her smile was illuminating and she listened. She will be greatly missed. I saw her at a meeting years ago.*

*May God help heal your pain.*

“ *Greg, I am so sorry for your loss. I wish you and Andrew strength and peace as you go through this.*

*What I remember most about Meg is her smile, her laugh, and her eyes. They were all magical. I was so happy when you two were married, and even happier to know you've been together since.*

*I wish you and all the families peace.*

“ My sincerest condolences to Meg's family. I was so shocked to hear of this from a co-worker of ours from CLS. I worked with Meg as a fellow RD for many years at CLS and she always was so happy and the kindest soul. I remember when she had Andrew and what a devoted mother and wife she was. Her eyes lit up when she talked about them. Meg was the person who you enjoyed working with. She always had a positive attitude and a beautiful smile. I had not seen Meg in quite a few years after I left CLS but I will never forget her. May God provide comfort to her family during this difficult time.

Today I have to say good-bye  
We all are in shock, and many maybe asking why  
I believe God has other plans for you  
Our prayers were answered, we know, your suffering is through

“ Greg and Andrew,

*Please accept our deepest sympathy. We were shocked to hear of Meg's passing. Although we have not seen Meg for some time, memories of her immediately take us back to her smile and shining personality. Meg's smile was infectious, she would light up a room with her presence.*

*I pray that wonderful memories of her will comfort you today and in the days to come. You all will be in our prayers, especially today as you celebrate her life. Although we don't have time to get there in person, we are there with you in spirit. Love and blessings to you, Greg and Andrew, and the entire Stocker and Michalek families.*

“ I never had the chance to actually meet Meg but I have heard a lot about her. I work directly with Greg and if She was anything like Greg, it would have been a pleasure to have known her. I just wanted to say that I'm very sorry for your loss. R.I.P.

“ So many memories of this woman, that it took me a minute. She was part of my "squad" in middle school and high school. My fondest memory is that we used to write letters to each other daily. This was before e-mail, texting, or social media. We would have contests as to whom would write the longest letter. My sincere condolences to her family, especially to Andrew. If you ever want to hear about how much of a great person your mom is send me a message on fb @sharivalentine.

“ *Meg was such a sweet, dear cousin. We remember her babysitting for our kids when we moved to Plymouth in 1979. There are no words that express our sincere sorrow for her family. This Irish saying comes closest: Death leaves a heartache no one can heal; Love leaves a memory no one can steal. With love and sympathy, Patrick & Anita Dumsch and family*
