“ I never had the pleasure of meeting Margaret, but it was my hope to someday thank her in person for the gift she gave my dog and I. My son was a business associate of Margaret's and they had been talking about their dogs. She had told him about Peanut and some digestive issues her dog was having. My son told her about my dog and what a difficult time I was having with her stomach issues. Margaret mentioned that she had some leftover dog food that her veterinarian had prescribed.she was kind enough to bring it to my son a few days before she passed away. This kind gesture has completely changed my doggies life.....no more tummy issues....no more accidents!! Nala and I wake up everyday and I tell her that it's time for Margaret's special food!! I am so grateful to her. I am just sorry I was never able to thank her in person. My son has told me what a nice person she was.

To Margaret's husband, I want to express my deepest sympathy. I, too, lost my spouse suddenly a few years ago and I know very well the loss you're feeling right now. You will be in my prayers. ❤️

Sincerely,
Ann Thomas

Eternal rest grant unto them, O Lord, and let perpetual light shine upon them. May their souls and the souls of all the faithful departed, through the mercy of God, rest in peace.
