“ Just found Margie's obituary after many years. Margie was my beloved Girl Scout Leader with Troop 1510. I have many wonderful memories with Margie and our troop. The cross-Michigan hike from East Tawas to Empire and the bus trip to National Girl Scout Center West. Both amazing experiences that helped shape my love of the out-of-doors for life. My mother, Edith, and I were close friends with Margie and Bessie. Bessie blessed me with one of her hand-stitched quilts and Margie & Bessie made my wedding cake. Margie was an amazing woman with love to share for every one of us!

“ So sorry to hear of the passing of Margie. She was my Girl Scout Leader for several years during high school. Our troop made the bus trip to National Center West for G,S, in my junior year, so memorable that I wrote a journal which my family followed on a vacation years later. The G.S. center was no longer there but it was fun sharing the memories with them. She even made my wedding cake when I married in 1997. Her mother made me a beautiful quilt which I still have and cherish. Gone from our lives, forever in our hearts. My sympathies to all the family. Love, Marie (Dedinsky) Thomson

“ Margie touched so many lives - mine included - with her endless enthusiasm and love for life. She never said "no" to an adventure; she just piled us all in the back of her green station wagon and off we'd go! I can only hope that my own little Brownie has a Girl Scout leader someday that shares as much of their self as Margie did. She will always be well loved and very fondly remembered.

“ I was so sorry to learn of Margie's passing. Just last Wednesday, I drove by her house, and wondered where she was and how she was doing. For the past two years, my birthday cards and Christmas cards have been returned - guess I was hoping they might somehow find a way to where she was! I am sorry I was not with the family today.

I can honestly say that Margie was one of the most beautiful people I have ever met. As a Girl Scout leader, she inspired and encouraged and believed in me, as she did everyone, and made me feel as if I could become anyone I wanted to be. She had an incredible gift of making everyone feel as though they were the most important person in the world. As a friend, she mentored me into a health profession, and our long talks about the meaning of pain and life and the importance of faith helped carve me into the woman I am today. She made my beautiful wedding cake, and sponsored a fund-raising concert at her church when my son and husband were travelling to West Africa to teach. Margie gave and gave and never emptied, and always had more to give. She was dearly loved and will be sorely missed. Love to Betty and Shari and Gayle, and all her loved ones,

“ Margie was an invaluable part of my growing up years, as my Girls Scout Leader. I think of her often, and the good times we had, the lessons we learned. The Michigan Shore to Shore hiking trip with her was one of the highlights of my teenage years. Margie was a feminist, inspiring girls to be proud of themselves, before we knew what the word was. It was an incredible pleasure to work along side her for a bit, when I was all grown up and a nurse, too, at Harper Hospital. The world is truly a better place because of Margie, and her family that supported her work and her fun. Wishing all of you, too, many sweet memories.
