“ Aunt Mugs was one of the extra special people in my life. I will always remember her visits up north, and how important she made me feel. Her sense of humor was as unique as she was. She will be greatly missed by all who loved her dearly. Great Niece, Granddaughter to Donald Buchanan Michelle Mace

“ Aunt Mugs was "one of the good ones." She was always hopsitable towards us when we'd visit. She was funny and matter of fact, and never held back when it came to saying how she felt about anyone or anything- an honest quality you couldn't help but notice. Above all, she was proud of her kids and grandkids as was evidenced by how often they were the topic of conversation. Our sincerest condolences to Randy & Hobie and your families. With deepest sympathy, Troy & Jen.

“ Dear Margaret you will always be missed. You were always more of a sister to me then an in-law. If anyone needed a place to stay her house was always open to everyone. I will miss our phone calls as we talked every week for the last sixteen years. Your Brother Donald's wife Jean

“ Randy and Bonnie, We are so sorry to hear about your mama. If there is anything we can do let us know. She was a very special lady. We were remembering when she got baptized at United. That was a very special day. Remember where she is. No pain she is now healed completely.
