“ *My mother, Elizabeth Kilponen, was a resident of Medilodge when your mother was there. I used to come in on Friday mornings to lead a sing-a-long. Your mom always participated and I can still see her smiling face. I would ask the residents what their favorite songs were and your mom shared, "Sentimental Journey". Every time I play it I think of her. She was a beautiful and delightful woman.*

“ *Dear Chuck, Laurie, Marty, and Susan, I am so sorry. Remember all the weekends Leslie and I would get to come to your home, when my own mom Pauline was really sick and our grandparents were taking care of us, and needed a break. Remember ice skating on the pond. Remember the gallons of Ice Tea consumed at your mom and dad's house in the summer. Your mom was so nice to let us come over and be at your house! She sure was very special. How nice of her to do this for us! Helen (Rathbun) Howard*

“ *Im truly sorry to hear about your lost. Magaret will definitely be missed by so many. One thing that helps me deal or cope with loosing a loved one is the scripture John 5:28,29. It stats " Do not marvel at this, because the hour is coming in which all those in the memorial tombs will hear his voice and come out, those who did good things to a resurrection of life....." Soon we will be able to see Margaret again because God (Jehovah) promises a resurrection hope. Also if you notice that it uses the term "memorial tomb" and not [Grave] which means Gods memory. Mararet seemed like a really nice lady, a person that God will definitely remember. I hope this gives some comfort. Dion R (Truth.1914@yahoo.com)*
