“ Margaret and I shared many conversations about the best way to protect human life. I always came away from such conversations wiser and better informed than before we spoke.

“ We extol the memory of Margaret Spas who was a great collaborator with our parents, Bob & Paula Ervin in working to uphold the unspeakable dignity of human life. Bob & Paula always spoke of Margaret as a hallowed comrade - tough, resilient, trustworthy, filled with so much of the goodness of God!

“ My Aunt Pic was a wonderful woman. She helped me in more ways than she will ever know. Her kindness, open heart, knowledge, and faith were there to help me through some of my most difficult times. I will really miss her but I will always cherish her gifts of love.
