“ *To The Waldecker Family,*

I was very sorry to hear of Margaret's passing. Margaret and Dick have been Mom's neighbors for as long as I can remember. Margaret was a lovely lady and such a kind woman. She kept an eye out for my Mom and always had a pleasant word to say and way about her. She and Dick are the sort of neighbors that everyone hopes for, but so few have the good fortune to actually have next door. She will be missed.

Our thoughts and our condolences are with you all during this difficult time. Margaret will always be with our family in memory and will always be thought of warmly.

“ Margaret and I met our freshman year at the University of Detroit. We dated for awhile, then kept in contact for all but five of the next fifty years. I will always miss hearing from her; she had a way with words unmatched by any of my other friends. But most of all, she had a love for the Lord that guided her entire being.
