“ *We are trully richer for having known and to be a part of this family. We are so thankful for all the time we were able to spend with Nanna and Pappa Bob. Oh, how our hearts go out to all of you for this loss, and although our hearts are broken and saddened by her leaving, we know in our hearts that she has just gained eturnity and is all better now. Never forget that she will be waiting for you with all of the love that she has stored up for you, when you join her in that most special of all places. With all our Love and Prayers, Tony, Mary Jessica and Tom*

“ *I know my words can't take the pain away, but I pray that in time the memories stay but it hurts less. I hope to meet her one day and that the family feels the only one who can take away the pain. People you don't even know are praying for you all...*
