“ *To The Family. I was Dr. Hamiltons patient from 1958 til he retired. 3 generations of my family had gone to him & we all knew Marge.. Ialso am a nurse now retired due to glaucoma but worked 35 yrs at Providence Hosp. When Marge had her surgeries she usually was on the floor I worked on. Wed have fun catching up on who was doing what in the family 7 talk about nursing. She certainly was a fighter with all her illnesses. Im not sure if I met you but I was the only nurse that still wor her cap!. The last time I saw her was just before I retired in Sept of 04. My condolences to you all. Nancy Anstett 415 W.
