“ Dear Jeffrey and Kevin and family,

*Your yearly visits to Norway Bay Canada are times I will cherish about your Mom. I still hear her voice calling out your names, but mostly "Jeffrey!!"; (I knew when you were in real trouble and knew we better present ourselves when I would hear your middle name!!).*

*Your Mom had such a pleasant face that even when we´d be in trouble, I wasn´t afraid. I will carry her in my heart till my time comes.*

*Jeffrey, we will have to take a fishing trip in honour of our Moms...*

*I am sending everyone strength at this difficult time.*

*Much Love*

“ Margo was a kind lady who did so much for others, she loves her flowers and crafty projects and taught me the basics of sewing when her only granddaughter Mary Beth was small...I made many things for her from what she taught me...she had a love for her poodles too, she will always be remembered by all who knew and loved her...God bless you Margo, be at peace.
