“ We met Marguerite and Jim at the Hono Kai on Maui about 20 years ago. We shared many a meal, much wine and so many stories, some even true I bet! Marguerite always had books for me to read. I loved her laugh and our many conversations of family and life. We last saw them March of 2020 when we all had to leave Maui early due to covid. We still come back to the Hono Kai and every year we talk about them and the great times we had. Aloha my friend.

“ Marguerite and Jim both were two of the most vivacious, kind, and wonderful people we've known. We wish we could have spent more time together, but the times we had were wonderful.
