“ *Hey Laura.....It's a difficult decision but I believe the prudent one to not come out to be with you during this time of loss . I wish you & family the truest sense of strength and peace that comes only from Our Lord/Savior Jesus Christ. I will have you and mom in prayer. With faith and prayer this too shall pass & I look forward to hearing stories of all the good times spent with your mom.....especially the ones that involve cooking & meals. Take good care , stay health conscious and peace be with you. Dennis Bostwick*

“ Dear Lora & Family,
I'm so very sorry to hear of your mother's passing. Our mothers are among our most dearest relations, and leave such a void when we are parted from them. But remember, this separation is not forever. She has merely gone before you, to a place so beautiful we can barely conceive of it's splendor. Her soul shall dwell with the blessed in paradise!

Because of Palmira's immune system, we will unfortunately not be able to pay her homage in person. However, Maria and her entire family remain in our thoughts and prayers for many days to come

“ Loving arms around you all during this difficult time. I am extremely sorry for your loss. I worked with Maria & Michael, over at Joanne's in Novi. She was so upbeat, always smiling, bringing homemade goodies to share, creative, & Loved her family unconditionally! She was always warm & welcoming whenever you were at the house. God was always in her heart & now she has been reunited with her maker. She will always be with you. Hold her close to your heart...that's where you'll find her!

“ I will never forget the wonderful times spent at Mary's house as a child with my family. Mary always made me laugh and had such a wonderful sense of humor. She was so kind and giving and a special friend to my mom. They are now together again. Life is so very short, and I will always have a place in my heart for the special memories with the whole family. Sending love and prayers to everyone.

“ We attended the same elementary school, where she was called Mary. Even at a young age, she was a great dancer and the teacher asked her to show everyone how to do the Mexican hat dance. I still remember how light on her feet she was. She was always sharp and upbeat. She will be very missed.
