

Maria Cynthia Doreza Hartsaw

October 7, 1953 - July 3, 2023

Maria Cynthia Doreza Hartsaw passed away peacefully surrounded by family on the afternoon of July 3, 2023 at the age of 69 after a courageous battle with pancreatic cancer. Cynthia, who was affectionately called “Inday”, was born to Francisco Sr. and Nelia Doreza on October 7, 1953 in Iloilo, Philippines and was one of the two girls among nine siblings. As a young girl, she was always curious, had the passion for learning and excelled on everything she put her mind into. Cynthia completed a Nursing degree at St. Paul College of Iloilo and migrated to Michigan soon after where she started her career and met her husband, Tom. After 10 years in healthcare, she decided to pursue a degree on Information Technology at Madonna University and worked for Ford Motor Company until her retirement in 2019.

Cynthia’s cheerful and outgoing personality was captivating to family and friends alike. She found pleasure in the simplest of things such as her afternoon walks in the park, a delicious cup of ice cream, an article about random things that sparked her interest for the day, a good action film and an hour (or two) long conversations on the phone with people dear to her. God blessed her with a big personality and an even bigger heart. In times of need, Cynthia never hesitated on extending a helping hand nor failed to remind us to be optimistic and focus on the solution rather than the problem. She was strong-willed and fearless yet she was also kind, thoughtful and generous. Cynthia was a devoted mother, a loving wife, a caring sister, a supportive aunt

and a loyal friend. Her steadfast faith to God until the very end is an inspiration to us all.

She is survived by her husband of 43 years, Thomas Hartsaw; her only son, Justin Hartsaw; her brothers Abelardo (Nancy), Francisco Jr. (Loretta), Edgar (Leah), Dennis (Rodette), Benito (Cora), Henry (Carmela) & Irwin (Lizabelle); and 10 nephews and nieces.

Visitation will be held at Vermeulen-Sajewski Funeral Home (980 N. Newburgh Rd., Westland, MI 48185) on July 12, 2023 from 3:00pm to 8:00pm. “ *Cynthia was such a wonderful person and dear friend! Her positivity, kindness and beautiful smile will be greatly missed. Every day at work I could always count on Cynthia to be a shining star and to be there to cheer you up. She easily made friends because she was such a positive and caring person. Through her I was able to get to know both Tom and Justin, and all together they made a wonderful family that made this planet a better place.*

“ I know Cynthia from Fortney Eyecare then later at the Vision Center. She always talked about her family especially Justin. She loved her family deeply and they brought her so much joy. You knew if you were one of her people. Dr. Jack was her optometrist and her friend. We were all excited when Dr. Jack's birthday came around because we knew Cynthia was coming with her special brownies. She was a special person and my thoughts and prayers are with her family. She will be missed by so many.

“ Dearest Inday,

As everyone is grieving for you, it sometimes feels like there are not enough tears anymore to vent out for the loss of our loved ones. It's so hard to accept that people we love so much suddenly left us unprepared.

It has been almost 5 years when Your Manang Linda passed away, and the loss is still there. Happy memories were tainted with sadness as I realize that for each of the things we did together innumerable times, there was a last time and there will never be another. It is hard to do things that we once always did together. I had to adjust to a life that she is no longer a part of.

I still remember, every time you were with us esp. with your Manang, you always had a good heart, kindness, and understanding of yourself as a person. You were instrumental in making things the best it suppose to be, and touching other person's lives giving them smiles and optimism in every way. There was so much about you that we will be thankful for and forever will never be forgotten.

And now that you will be joining your Manang Linda with our God the Father in heaven, together with other family members -- bring with you all our prayers, love, and memories as you start your journey in the afterlife. We all know that the sun has gone down on us because of your unexpected passing, but this will not be the end. Just like with your Manang -- there will be no goodbyes, but just good night.

Thank you so much Inday Cynthia for everything. Rest in peace.

“ We're shocked and so saddened to hear that we lost Cynthia. She was such a bubbly person and so faithful to her faith. We were always catching up with her after Mass at Divine Child. She leaves such a void. We're so sorry for her family. Instead of flowers, we're going to get a novena of Masses for her.

“ Cynthia was a beautiful light in our lives. She would meet us after church at Divine Child by the koi pond. She was always so kind and sweet to my husband, my daughters, and myself. My youngest daughter would run up to her with the biggest hug each time we saw one another. Cynthia will be deeply missed by us. We will always think of her as we pass the koi pond at DC. Rest in Peace our beautiful sweet friend.

“ I’m so sorry Tom. When dad planned his funeral, he chose these words from Anne Dillard: “I think the dying pray at last, not “please” but “thank you” as a guest departs at the door”. God bless you and your son.
