“ *The residents and staff at Canton Place will greatly miss Marian. Her kindness, caring and willingness to assist others will always be remembered and appreciated. No matter how she was feeling physically, Marian always assisted with the Canton Place meal program on her scheduled volunteer days. She never complained and was an inspiration to others. I will most especially remember how Marian participated in the Veterans Memory Project. Through the project she helped a young student volunteer produce a record of Mr. Bandy's military experience. This project helped a young person not only understand the experience of a previous generation but helped her learn and grow in her communication and journaling skills. It was a great tribute when Marian used this project to provide a living legacy to her children. I will miss her dearly - she was a very special lady.*

“ *I knew Ms. Bandy through Mabel Ewald. What a precious lady. She was always willing to help out and come to the nursing home and see her friend Mabel. Mabel told us not to come Tuesdays, because that was Ms. Bandy's day to visit with her. Ms. Bandy loved the frog in her room that danced and sang, "Unbelievable." I am so sorry for the loss of your mom, grandma, and great-grandma. I pray that God will hover close during this difficult time. I am praying for you all.*

She will surely be watching over us with God by her side! Because that's what she has always been - a true angel by our side!*
