“ Dear Family of Marie Carlson, I'm sorry for the loss of your loved one. Losing a loved one is a painful experience. What has helped me to cope with my loss is the wonderful promise God has made for the future. Please note what the Bible says- He (God) will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away. (Revelation 21:4) Many that have died will live again. (Acts 24:15)

“ My heart goes out to the Carlson family. Marie, Your loved one will no doubt be missed very much. The Bible says at: (Psalms 90 verse 10) "In themselves the days of our years are seventy years; And if because of special mightiness they are eighty years, yet their insistence is on trouble and hurtful things; For it must quickly pass by and away we fly. It was never Jehovah God's purpose for his human creation to grow old get sick then die. (Romans 5:12) But thanks through Jesus Christ our ransomer whom he himself died and was resurrected by His heavenly Father Jehovah God. We have the hope that we someday will see our loved ones again on a restored paradise earth which righteousness will dwell (Psalms 37:10,11.29) If you would like to know more about this, Please contact myself or any of Jehovah's Witnesses in your area or visit our official website www.jw.org
