“*My Dear Aunt Marie,
Ever since I was a little girl I knew how much you loved us. You showed me by taking me on special outings, never forgetting my birthday or life’s milestones, and always being available to talk or visit. I loved going to your house for holiday dinners. You and Uncle Hank made everyone feel at home. We always left with a stack of your delicious homemade pizzelles; eating half of them on the way home and saving to rest to eat with our morning coffee.
Jim and I enjoyed taking Kristi and Chad to see you and Uncle Hank in Florida. You planned fun and interesting outings just for us. Those are very cherished memories for our family.
I loved sharing books from our favorite author, Richard Paul Evan’s, including our last book “Christmas in Bethel”. You are also the reason I love watching the Hallmark series “When Calls the Heart.” You told me the main character, Elizabeth, reminded you of me because we were both teachers. I will miss recapping the episodes with you.
Jim loved being your TV & computer technical support person. I know he loved you because he was always so willing to go visit you. On our last few visits you thanked us for all we had done for you, however, we say thank you for all you have done for us!
You truly had a special way of letting us feel your love. You are an inspiration to all of us. You lived a wonderful full life. We will miss you forever and love you for always.
All My Love,
Caren XO*”

“ Caren, thank you for letting me tag along on your visits to your Aunt Marie's. She was such an amazing, smart, savvy, and sweet lady! I'll think of her every time I use her little blue watering can (from the basement ;)) My deepest sympathies to her loved ones. ❤️
