“ *I was so saddened to hear of Marilyn's passing. I, also, knew her through the Plymouth Brown Bag Lunch Book Group. She was always so sweet & ready with a smile - that is a wonderful legacy to leave.*

“ *Marilyn and I attended the Plymouth book discussion group. I am in shock. She was so dear to me and the group. She was in the group the longest. She would always ask me what I thought of the book. We agreed most times. One time Marilyn walked in and another new older looking woman came in right after her, who looked like Marilyn. I said that Marilyn brought her mother with her. It turns out the woman was new and was about Marilyn's age. She will be so missed by us all. Jan*

“ For those that could not attend the funeral, this is what I read at her service: Dear Family and Friends, Marilyn impacted many people; more than I ever realized. She was an amazing person and she was the thread that wove all of our lives together. To say good-bye for now is really painful. But as we cry and mourn for our loss may we also be happy for Marilyn. She fought the good fight of faith. And she will cry no more. Marilyn would be pleased that you participated in celebrating her life and her going home. She always loved a party. Paul, you gave her quite a party! As you reflect upon Marilyn's life, the events of this week, and the conversations you had with others these past few days, dig deep and search for the nuggets she left behind. Is there something she would want you to learn?

“ Marilyn was my sister-in-law for many years, and a dear friend. She and Elliott visited us often in TN, and was a loving aunt to my three sons. She will be dearly missed by our whole family as she was always concerncd with my children's welfare of their children's health and well being. We kept in contact by phone and e-mail often and was shocked upon hearing of her death. My best wishes and condolences to her mother and family. In Gods Love LaVerne and Don Cosens

“ Dear Family and Friends, Marilyn’s life touched so many people; more than I could have imagined. She was a unique person and a very special Aunt. A testimony of the Christian faith, she did her best to “do unto others as you would have them do unto you”. Her passing is deeply felt by each of us and in different ways. It is our prayer that God’s grace will hold us up especially for Grandma (Hilda) and for the family members that have lost loved ones earlier this year. May we all hang on tight to each other and to our faith. May we look forward to the day when we will see Marilyn again and all of our loved ones that have gone before her. “He will swallow up death in victory; and the Lord God will wipe away tears from off all faces...” (Isaiah 25:8) Words cannot express how deeply we will miss Aunt Marilyn. But for her we are happy that she has no more tears.

“ Aunt Marilyn you will be greatly missed. We will always remember attending all the special events that you planned. A family could not ask for a more caring Aunt. Now you can join your sister and be back to having all those fun times together. Love, Tim, Belle, Jim, Jackie, Brian, Alexis and Adam

“ *Im truly sorry to hear about your lost. Marilyn will definitely be missed by so many. One thing that helps me deal or cope with loosing a loved one is the scripture John 5:28,29. It stats " Do not marvel at this, because the hour is coming in which all those in the memorial tombs will hear his voice and come out, those who did good things to a resurrection of life, those who practiced vile things to a resurrection of judgment." Soon we will be able to see Marilyn again because God (Jehovah) promises a resurrection hope. Also if you notice that it uses the term "memorial tomb" and not [Grave] which means Gods memory. Marilyn seemed like a really nice lady, a person that God will definitely remember. I hope this gives some comfort. Dion R (Truth.1914@yahoo.com)*
