“ *There is not enough I can say about my mom. She has always been there for me in good times and bad, happy times as well as sad. She always supported and inspired our family's creativity throughout our lives. My mom had a great sense of humor and I have so many memories of gut busting laughter with her! She was a best friend when needed but always with a mother's perspective that never wavered. She was also the most generous person I've ever known always gifting all of us with the perfect thing even if it wasn't a special occasion. She loved us all so very much and would often say to me how much love our family has for each other and that was the best gift of all.*

I was in her room here earlier today and was smelling her clothes that are hanging in her closet remembering the fragrance of "mom". My heart swelled and tears fell as I could smell the "mom" smell that was uniquely hers. I also felt so very blessed that she was my mom. I love you mom! <3

“ *I have so many treasured memories of family gatherings with all the Aunts, Uncles and cousins. Never a dull moment, so much laughter, happiness and love. Aunt Marilyn's smile-as we as Uncle Jimmy's, as they enjoyed these times with family will be dearly missed and forever remembered. Love and hugs to all of you during this difficult time.*
