“ *I met Marilyn when she brought Elena for lunch at my tea room. They paid with a pack of singles and explained that Elena was a waitress. A few weeks later, with Elena on staff we became friends with the wonderful Pappas family. Marilyn and I shared our Canadian background and our mutual love of England. We exchanged many phone calls and traded British magazines over the years. i will miss her very much and cherish our memories of this devoted wife, mother and grandmother. Sylvia (& Bob) Thacker*

“ Marilyn was a the type of person that all hope to be but too few become. As a neighbor she and Jim were loved by my parents and us for their kindness, generosity, and love of life. My wife was only able to meet her once but saw a gentle soul and loving mother. This is a sad loss for us all but... "In a bittersweet moment another Angel has found her wings & has set off in flight...safe into the arms of God & to those gone before them...who wait for her with open arms to welcome her to Heaven."

“ *Marilyn will be greatly missed by our family. She will remain in our hearts and memories as the kindest woman we have ever known. She was not a neighbor she was a dear friend and member of our family. She had a way of always making you feel special, her British wit was next to none and she was always a lady. Rest with the Lord and angels Dear Marilyn, your joy is our sorrow. You may be gone from this earth but never from our hearts. Mike and Marcia Daigle*
