“ I love you my brother. I don't know how you will be now that you are gone. I hope your soul has found what you deserve. I never wanted to write you a message like that. But things were written like that. God wanted you close to him. Sometimes we say why but I always choose the best. You are part of my soul forever. An angel that you will never forget. You are gone and you leave us all with a big hole in our hearts that will never be filled. I miss you now. I'm sorry I couldn't be near you and on your last day I promise you that you will be in my mind and heart forever. I love you MARIOL 🕯️🙏👮🕯️💔🌍
