“ *I didn't know her very long but she accepted me into this amazing family right from the beginning of my relationship with Rain. My heart breaks for the family that I have grown so close to over the past year. Marion was always so sweet and kind to me and will surely be missed by me and many many others. I love this family so much and I'm glad that I will be able to call it my own very soon. Rest in peace Grandma, we love you so much. ❤️*
