“ *I want to express my deepest sympathies to your family on the loss of your loved one. Times like these are never easy and call for us to draw upon the strengths of others. During your time of grieving please draw comfort from God's Word and the hope the scriptures provide. At John 5:28,29 it tells us that the hour is coming in which all those in the memorial tombs will hear his voice and come out. Draw on this hope from the Bible.*

“ Dear family members, I wanted to extend my condolence in the loss of Marion. The bible has a saying at Psalms 90:10 which says "In themselves the days of our years are seventy years; and if because of special mightiness they are eighty years. So it was good that Marion had the experience of living on earth as long as she did. Quite sure she brought plenty of smiles and sunshine to her loved ones. Rest assured that she is in her heavenly Father's memory. In near future he is going to fulfill the expression found at Revelation 21:4. May he prove to be in your corner in this distressing time.
